<u>Communication</u> to parents/guardians during our camp sessions for announcements and updates, will be through the EMAIL used when registering your child. If you used your child's email as primary – ask them to check email. We prefer the parent to receive the emails, you can change that on your account portal.

Phone calls will be made, when necessary, to communicate concerns or medical situations with your registered child. I leave my home office for MAFH set up the week of July 8th. My office hours from July 8th thru July 26th will be limited to early morning and evenings. We have limited cell reception on campus. We do have landlines on campus to make calls when needed and for emergencies. We ask that campers please see a MAFH staff member with all concerns, injuries, and situations so that we can care for their needs quickly and appropriately. Often due to reception, communication from camper to parent is not always complete. Campers that need to make a call will have access to use the camp landline and any staff member can assist them.

<u>Camper Phone Use</u> *MAFH recommends campers to <u>not bring</u> cell phone devices to camp. It is recommended that campers that bring a cell or other device keep it in airplane mode or powered off until using it. As posted in the "MID ATLANTIC FIELD HOCKEY CAMP GUIDELINES/POLICIES TO FOLLOW AT CAMP."

1. To maximize the camp experience and minimize inappropriate cell phone/social media/video usage, MAFH DOES NOT ALLOW cell phone usage between the hours of 8:15 am and 8:15 pm (or the conclusion of evening games). Phones will be held in a secure area during these hours. Please see staff if you need assistance in accessing a phone to call home. *Cell Phones are not recommended at camp. Cell phones will be collected EVERY morning before heading to the fields and returned AFTER evening games conclude, no exceptions.

Should you have the need to reach your camper during the off cell use hours, please do not hesitate to contact me at 484-332-3670. If a response does not need immediate attention, email is the best form of communication.

Campers: No photos/video are allowed in changing areas or bathrooms. No photos/videos should be taken of anyone not consenting to photography. Please do not post photos/video to social media or share with others without the consent of each person in the photo. Please be respectful and appropriate with phone, cameras, and other devices.

Thank you for your cooperation and for your help in creating an opportunity for our campers to disconnect from their devices in a fun and safe environment learning the love of the game and experiencing the tradition of MAFH camp. Thanks for your cooperation. We look forward to seeing you at camp!

Frannie Slabonik, Mid-Atlantic Field Hockey Camp Director

PS ... if <u>you need to hea</u>r from your child, it is ok to shoot me an email, I will gladly give them a message to check in or use our landline to make a call home.
